Fresher

 0987620752  hoxuandai02@gmail.com  github.com/daidev07  Hai Chau District, Da Nang City

OBJECTIVE

With the professional knowledge I have learned over the years, I believe I am capable of taking on and completing assigned tasks in the most complete way. Hopefully the working environment at the company will help me equip myself with more experience and skills to achieve my goal of becoming a professional programmer and strive to become an official employee of the company in the future.
